Frequently Asked Questions

Can I add my Spouse or Dependents?

Yes, the cost is $20/month for a spouse and $5/month/child for up to 6 total dependants.

Is this Insurance?

No. This is not insurance. This is a Direct Primary plan which gives you direct access to your own private physician where you can call and message them directly to address your health concerns and build a 1-on-1 relationship.

Is this really free?

Yep! Your Epique Benefits Package includes Free Virtual Direct Primary Care, Free Prescriptions, Free Virtual Mental Health Visits, and Free Virtual Urgent Care.

What does this NOT cover?

Your benefits coverage is not insurance, and does not cover things like Hospital Stays, Ambulance Rides, MRI's, Cancer Care, and more. For this, we also provide access to HealthShare through Impact Health. Please see additional brochure about HealthShare Plan through Impact to learn more.

Can I use my own doctor?

You will be given the option to pick a provider from the network provided.

How do I get prescriptions?

Your doctor will call it in to our partner pharmacy. The pharmacy is virtual and will mail you your prescriptions directly at no additional charge. If you need urgent care medicines, your benefit covers several urgent care medicines at your local participating pharmacy.

What if my prescription isn't covered?

Your prescription benefit covers the top 95% of medicines prescribed in the United States. If you need a prescription not covered, you will receive a discount card that will provide up to 80% off.

Can Epique see my Medical Information?

No. We won't even know who your physician is, let alone what you've discussed. Epique's role in this benefit is to simply cover the costs through our third party vendors. We will never know what medicine your taking, who your doctor is, etc.

Frequently Asked Questions

How does the Mental Health benefit work?

Once you've selected a participating mental health provider, you will schedule appointments with them online. Visits work like most telehealth visits, and your provider and you can work on a schedule that works for your plan. You get up to 12 visits per year included.

Can my mental health provider prescribe medicine?

In most cases, no. They can however make recommendations and, if you approve, share those recommendations with your primary physician who may write prescriptions for your mental health. Your Primary Care Physician can write any prescriptions you may need.

What happens if I leave Epique?

This benefit is not setup to be an individual benefit, and is provided as a group benefit. If you leave Epique, your benefit (like all Epique perks) will be closed. You may reach out to your doctor prior to leaving to see if they offer any plans or discounts for you to continue seeing them on your own in person or virtually.

What happens if I am behind on my monthly payments with Epique?

Monthly fees are how we are able to offer agents thousands of dollars worth of benefits that agents couldn't otherwise get on their own for the same price. Unfortunately, if you're not in good standing with Epique, like all of our benefits, your access will be shut down. We will warn you in advance before we shut down any benefits. We will try to avoid shutting down your healthcare benefits if we can, and will try reaching you by phone, email, and even text before we do so.

How long does it take to begin?

You should be enrolled in 7-10 business days upon registering for Epique Health. You will not be eligible for this benefit until after you've been with the company for at least 30 days.

How do I register for Health Care?

Inside of Epique Cloud, you will click on "Benefits & Services" to register. You will receive an email signup within 7 days to register for your healthcare account.

Who do I contact with questions?

You can reach Epique Support at 512-387-0722 or admin@epiquerealty.com

Frequently Asked Questions

What's the difference between them?

The free benefit from Epique includes mostly virtual visits, free prescriptions, and discounted lab work but does not include things like in person care, ambulance rides, hospital stays, surgery, etc. Impact Healthshare bridges the gap by covering those in person and hospital related costs.

Do I have to choose one plan or can I do both?

You can do both! Use your free benefit from Epique to pay for things like your prescriptions and for virtual care, and use your Impact Health benefit for in person, emergency, or hospital coverage.

How do I signup for Impact Healthshare?

Visit impact.epiquerealty.com for more information about Impact Healthshare.

Is Impact Healthshare insurance?

No, it is not insurance, although it is very similar. Healthshare is a non-profit company and all savings are passed along to the users which is why the cost is much lower. Every dollar you spend goes to help someone else get coverage. Healthshare usually also covers more than most traditional insurance plans, and does not require in network doctors, hospitals, or specialists.
