Frequently Asked Questions

Can you explain how Traditional Teams function within Epique Realty?

Traditional Teams consist of two or more members. They benefit from a reduced monthly fee of \$99 and a Commission Cap of \$10,000. Even with this cap reduction, team members can still participate in our Power Award program, allowing them to earn money back in Company Stock at the end of the year.

What are Family Teams, and how do they work at Epique?

Family Teams are two-person teams, often comprised of spouses or siblings. They share a Commission Cap of \$15,000 and enjoy a reduced monthly fee of \$99 each. They also maintain individual benefits like Healthcare and Car Washes.

What is the significance of Power Teams at Epique Realty?

Power Teams are high-volume, highly productive teams that handle \$40 million+ in transactions OR 140+ deals annually. Members of Power Teams enjoy a low \$5,000 Cap and a reduced monthly fee of \$99. As with all Epique agents, they can achieve the Power Award, giving them the opportunity to earn money back in Company Stock.

Can individual agents transition to team roles at Epique?

Yes, individual agents can transition into team roles at Epique Realty. The transition process is designed to be smooth and accommodating to support agents in their career development.

How can teams benefit from Power Award?

Team members, including those in Family Teams, Traditional Teams, and Power Teams, can benefit from the Power Award. It allows them to earn their respective Commission Cap back in Company Stock, further enhancing their financial rewards.

Can I have a team within my team?

Unfortunately, we cannot have sub-teams. Teams must stand alone and fit within the structures provided by the Company.

Are there any cultural or performance requirements for team members?

Epique Realty does not impose cultural or performance requirements for team members. We believe in celebrating and supporting your success without adding unnecessary conditions.
